Pleasant Valley South BAPTIST CHURCH

February 9, 2020

Valentine's Day has changed during my lifetime. In our neighborhood, on that day, we addressed and hand delivered valentine cards to neighbors' houses. We would drop the valentine on the front porch, ring the doorbell and run. In elementary school, we decorated brown lunch bags. We taped those bags to our desks. On Valentine's Day, each student deposited a card in other students containers. That was a great way to make certain students not feel left out.

When we "fell in love" for the first time, we made our cards. We'd send the message, "I love you. Do you love me? Please check yes or no." That answer changed with the weather.

Then we grew up and decided to buy greeting cards to say for us what we should be writing from our heart. Now we may buy our message online and a dancing dog, a cat or a cartoon character delivers the message.

How about a daily dose of personal words or notes to your spouse. "I love you." "You are beautiful." "You are special." "You are God's gift to me." Investing every day in your relationship makes a strong marriage.

Your Pastor,
 Philip May

who's your ONE?

Dr. May will begin a four-week sermon series this morning on how to witness. The series is titled *Who's Your One?*
