Congratulations! Your child is about to graduate high school!

PVS Graduate Recognition Sunday is April 28 this year. We will be having either a breakfast or lunch catered for your family that day, along with a very special recognition time during the worship service. Please help make that day even more special by doing these two things:

1. PICTURES FOR THE GRAD VIDEO

I would like to make a high-quality video utilizing digital images of all high school graduates. It will be played during the scrolling announcements on Grad Sunday. And, it will also be uploaded to YouTube so you can share it with family and friends everywhere. I cannot make this very special video without your help. So, I need EIGHT digital pictures of your senior from birth until now. Remember, I need these no later than April 21. They must be in digital form and either emailed, put into one zipped file folder on Dropbox (a free app for phone or any tablet/computer) and the Dropbox link sent to me, or delivered to me on a portable USB drive. (PRO TIP: If you have older pictures and do not have a scanner, carefully take a picture of your old pictures with your smartphone and then either edit before you send them to me OR send the picture to me and I will take care of the editing.) Due to poor resolution quality, I will not accept texted pictures.

2. KEEPSAKES FOR YOUR VERY OWN GRAD DISPLAY TABLE

Prepare a collection of any of your senior's keepsakes to display on a 3ft x 4ft table portion of a long table. Ideas for items to bring include awards, trophies, hobby & sports gear, dance, art, music, and taxidermy- the sky's the limit). This table will be in the church foyer on Grad Sunday so that everyone who attends worship can see your high school senior's accomplishments. Hobby Lobby sells cardboard tri-fold displays which were great for printing and attaching pictures to as a backdrop.

(PRO TIP: Put some form of receptacle on your senior's table for gift cards.)

If you can provide all the elements requested in this letter, then it will make this day even more special. Again, I need your digital photographs no later than April 21 to provide the quality needed for something this special. Call/text me with questions.

Praying for you in this special time,

Eric
